Good morning members

It has been a truly hectic period for the club. What with wet weather still hampering us early in September, to our Open Amateur, then our Senior Amateur and finally our legends pro am. I'm sure our Captain will give you a complete round up of these activities but wow.

The course is presenting so well that I must personally congratulate Kent and his team. Outstanding job being done and everyone does truly appreciate your efforts.

We had our general meeting of members on Thursday, 2 October, to approve a new constitution, where 31 members attended. With an overwhelming majority of 91% it was approved, and I would like to thank all those attending for your support of the club.

Path work is continuing apace, especially with the good weather we are now enjoying. Making our course as weather-proof as possible is our main goal.

Club championships and our Ladies' big Charity Day are fast approaching, so get onto the course and start getting your game in fine fettle for these big club events.

An early date for your 2026 diary. The club's Annual General Meeting will be held on Monday, the 16th of February at 7 pm.

Keep on golfing well

CONGRATULATIONS TO LOUISE MULLARD

Louise has done it again being selected in the Australian Team for the Asia Pacific Senior Championship to be held at the Orchard Golf and Country Club, Cavite, Philippines.

Congratulations on your selection and we wish you every success at the tournament.

STOP PRESS The Australian women were victorious in this team event and Louise finished third overall in the individual event. An outstanding effort Louise, great result.

LADIES NEWS September 2025

The Ladies played the 4BBB 36-hole Championships recently, with overall winners Julie Dunn and Julie Van Agten finishing strong, and Lynne Wales and Benita Newcombe the runners-up. Great golf by Carly Ford with an eagle on the 12th hole during round 1, and Erica Ford (Mum), not to be outdone, sank an eagle on the 3rd hole during round 2.

We had 22 Ladies who travelled up to Nelson Bay for 2 games last week, where we were welcomed by GM David Lulham and Michael & Ken in the Pro shop, who looked after us very well. There were some great scores on the shortened, water-affected course as it continues to recover, but despite this, there were some challenging holes to navigate. A fun time was had by all, and the weather was lovely.

Louise Mullard joined the Australian Senior Amateur team in Manila, Philippines, in September, where she won her age division, placed third overall and contributed strongly to the Australian team's win. Great effort, Louise!

RING THE BELL

Congratulations to **Mick Coleman** for his Hole in One on the **15th hole** and to **Tim Diehm** for his Hole in One on the **4th hole**. Great work, guys, on a very special achievement. There are many members envious of what you have done.

THE BIG APPLIANCE GIVEAWAY

What a fantastic Friday night at Wyong Golf Club! Congratulations to all of our lucky winners who took home some amazing prizes from The Big Appliance Giveaway

AUDITORIUM UPDATE

How good does the revived function room/auditorium look? New carpet, new chairs, curtains and a fresh coat of paint have done wonders. A big thank you to all the members and staff who helped deliver the finished product. Great job, well done.

COURSE NEWS

The new path on the 13th hole has had the surrounds turfed and is looking great. Please keep to the path in carts and give this new turf time to establish.

The path on the 5th hole has now been completed, from the back tee down to the beginning of the fairway. It will make a big difference during wet conditions.

The course is in great condition, with our greens outstanding, as many of our recent visitors to our big events have commented on their quality. Congratulations to Kent and all his staff who have worked tirelessly to present the course in such excellent condition for these events, especially considering the months of wet weather we have recently endured. Thanks, guys, for a fantastic effort.

FINALLY, let's keep our great course in great condition.

1. Carry a sand bucket.
2. Fill in your divots and any others close by to you.
3. Repair your pitch marks on the greens.
4. Those in carts, please observe the blue lines around the greens to protect our approaches.

COURSE CARE

If a pitch mark on a green is fixed within 15 minutes, it will repair itself within an hour. If it is left unrepaired for an hour, it can take up to 2 weeks to repair itself. So, let's ALL make an effort to maintain our great golf course.

Pace of Play

Despite some improvement, the pace of play continues to be a problem. Here are some tips that hopefully will help the situation.

PLAY READY GOLF -the shorter hitters in the group should hit off first

- be ready to play your shot ASAP and be prepared to play out of turn if other members in your group are delayed. For example, if someone is raking the bunker players in the group can have their putts, saving time

- If you lose ground on the group in front, then the first player to putt out proceeds to the next tee to pick up the pace.

These are just three simple ways to quicken play. Remember the pace of play is EVERY MEMBERS RESPONSIBILITY. Finally, your group's position in the field is not dictated by how far you are in front of the group behind you, but by how far the group in front of you

No Show Policy:

If you or another member has put **your name** on the time sheet, it is your responsibility if you are not playing to cancel your name out by either crossing name out on the timesheet (available till 5am the morning of) or ringing the pro shop on the morning 1 hour prior to tee time.

The following penalties apply for breaching these rules:

First offence: 1 week suspension from all competitions

Second offence: 2 weeks suspension from all competitions

Third offence: Face the board for further disciplinary action from board

Note: Suspensions will start from 1 day after the breach
